

July 11, 2017

Dear Citizens:

The recent City of Corsicana and Navarro County Cleanup Day has encouraged many people to come up with ideas for projects to help clean up the City. The Main Street Project has come up with an idea. In an effort to “**Keep Corsicana Beautiful**”, citizens are encouraged to join the community cleanup efforts around the city. One way to accomplish this is to join the group in the metroplex known as Ten on Tuesday. The Tarrant Regional Water District, City of Fort Worth, City of Denton, and the City of Dallas have joined forces and created the program. On an ongoing basis, **every citizen is asked to pick up 10 pieces of trash every Tuesday** this can make a significant difference in the amount of litter. This Texas-wide initiative to clean up towns by picking up just 10 pieces of litter every Tuesday is anticipated to save taxpayers thousands of dollars. There can be small changes that lead to big rewards in the City. Challenge your friends, family, and coworkers to join the movement today and start making a difference in the community. Teachers can register for class participation as well as other service groups. The website is <http://reverselitter.com>. Please consider organizing a group and post results on the social media network using **#tenontues** and **@reverselitter**. Also, start planning for ideas for the 2018 Cleanup Day in June.

Sincerely,

Don Denbow
Mayor
