

August 28, 2017

Dear Citizens:

The City of Corsicana has received numerous inquiries about how to help the victims of Hurricane Harvey. The Red Cross is accepting donations. This is the best way to get needed help to many. The Red Cross Regional Headquarters number is 214- 678-4800.

There has been a call for individuals with watercraft to assist in rescues. Volunteers should contact Fire Chief Donald McMullan at 903-654-4956, or the Emergency Operations Center at 903-875-3315. Volunteers should not self-deploy to the Houston area.

The Department of Public Safety is instructing individuals that need shelter to go to the central shelter hub in Mesquite. Citizens may contact 211 for information on emergency shelter and to volunteer at these shelters. If individuals in Corsicana need assistance they should contact 903-654-4902.

Sincerely,

Don Denbow
Mayor
