Dear Citizens:

The Corsicana Police Department has received two complaints from citizens stating they received phone calls from the Corsicana Police Department phone number ([903.654.4902](tel:903.654.4902)). The caller identified themselves as being an employee of the Police Department. The caller stated that the citizen owed money to the City of Corsicana and they would be arrested if the money was not paid. The caller further advised that the citizens would be required to make the payment over the phone with a credit card and not in person. Please know that the caller (suspect) is SPOOFING the Corsicana Police Department's phone number. The CPD nor the City of Corsicana will NEVER call over the telephone and ask for any payment by credit card. If you get a call like this, please recognize it as a SCAM and such calls are illegal. Please report the call to the Corsicana Police Department.

Also on another note, the construction on 24th Street is in the final stage. The main driving surface is within two working days of completion. Once that phase is done, the driveways and sidewalks will be constructed. The original contract deadline was January 3. Due to rain days, the time of the contract has been extended to the end of January. Thank you for your patience, the final product will be worth the wait.

Sincerely,

Don Denbow
Mayor
