

September 18, 2019

Dear Citizens:

As National Preparedness Month continues through September, this is a reminder that the Corsicana Fire Rescue EMS Subscription Program is renewing memberships for the next program year for coverage between October 1, 2019 through September 30, 2020.

The program is available to all residents in Navarro County. This subscription covers the portion of a medical transport bill not covered by insurance when ambulance transport is medically necessary. Typically, this would be billed as the patient's responsibility or co-pay. The cost is only \$48.00 per year and it covers everyone living at the subscribed home address – the head of household, spouse, and any dependents under age 26. Coverage is from October 1 to September 30 each year. Corsicana residents can pay \$4.00 monthly through an installment plan on their water bill. Residents will receive a notice about the service inside their bill. County residents outside the City of Corsicana can get an application at the Fire Department located at 200 North 12th Street or online at the City's website www.cityofcorsicana.com.

For more information about the program please call Corsicana Fire Rescue at 903-654-4956.

Sincerely,

Don Denbow
Mayor
