

February 26, 2021

Dear Citizens:

The City of Corsicana will increase the current credit amount from 40% to 60% for water customers that experienced leaks occurring as a result of freeze damage between February 15 and February 21, 2021.

In addition, permit fees for plumbing repairs that are a result of freeze damage during that week will be waived.

The above special credit and waived fees will expire on April 1, 2021.

Sincerely,

Don Denbow, Mayor
City of Corsicana
