Dear Residents:

Please join me at the Ribbon Cutting Ceremony for Corsicana's new Central Fire Station. The location is 2975 Drane Road on Tuesday, September 14, 2021 at 10:00 a.m.

The new facility will provide a safe and modern work area for firefighters. Firefighters will have access to a fitness center, a new decontamination room and adequate room for equipment, personnel and fire administration. The design provides improved living quarters, with privacy for all firefighters. A new station alerting system will improve the response time for emergency calls.

This impressive new facility is a state of the art fire station and will serve the residents of Corsicana for many years to come.

Sincerely,

Don Denbow, Mayor  
City of Corsicana
