Dear Citizens:

The City of Corsicana Council confirmed the City Manager's appointment of Michael Ryan as the new Fire Chief. Michael has served the City of Duncanville Fire Department for 27 years and had progressed through the ranks to EMS Division Chief. In addition, he has worked for Navarro College as an instructor for fire, fire science, fire technology and EMS continuing education programs. I am happy with the way the search was conducted and extend a thank you to the committee for all the hard work to find a good candidate. On March 14, 2022, at 9:00 a.m. there will be a "Meet the Chief Breakfast" at the Central Fire Station, 2975 Drane Road, to welcome Michael to the community.

Sincerely,
