Dear Citizens,

The end of the school year is fast approaching and many parents will be looking for things to keep children busy during the long, hot, summer months. The Corsicana Public Library has a summer full of activities planned such as the Summer Reading Program, Craft Days, performers/special events, movies and more.

The Summer Reading Program Kickoff will be on TUESDAY, MAY 24 at 2:00 p.m. The library will host James Munton for a thrill-filled Magic Show including balloon creations and refreshments.

The following weeks will be full of fun in the following format:

Mondays are Craft Days, Tuesday are Performers/Special Events, Wednesdays are for Lego Fun, and Thursdays are for movies; all at 2 p.m.

Make a special note of the date June 7th when there will be two performances from THE CREATURE TEACHER. Times are 2 p.m., with a second show at 3:30 p.m. Everyone will enjoy this wild show!

Be sure to check the library's calendar and Facebook for updates on events and specifics.

While performers are great, don't forget about READING. Did you know that our students can lose up to two months of reading skills over the summer? By reading 20 minutes a day, five days a week, this loss can be prevented.

During Summer Reading, May 24-July 30, children, teens and adults can read books and enter to win prizes. Each five days of reading results in an entry to win amazing prizes, including a popular gaming system.

The library's summer programs are one of the many ways the City of Corsicana works to provide safe, fun, family activities for our community.

Hope to see you at the library this summer!

Sincerely,

Don Denbow, Mayor
