NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$0.4526 per \$100 valuation has been proposed by the governing body of CITY OF CORSICANA (10).

PROPOSED TAX RATE	\$0.4526 per \$100
NO-NEW-REVENUE TAX RATE	\$0.4326 per \$100
VOTER-APPROVAL TAX RATE	\$0.4749 per \$100

The no-new-revenue tax rate is the tax rate for the 2023 tax year that will raise the same amount of property tax revenue for CITY OF CORSICANA (10) from the same properties in both the 2022 tax year and the 2023 tax year.

The voter-approval rate is the highest tax rate that CITY OF CORSICANA (10) may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that CITY OF CORSICANA (10) is proposing to increase property taxes for the 2023 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 11, 2023 AT 6:00 PM AT CORSICANA CITY HALL 200 N 12TH ST CORSICANA, TX 75110.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, CITY OF CORSICANA (10) is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the CORSICANA CITY COUNCIL of CITY OF CORSICANA (10) at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE
CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$

Mayor and Council:

The FY 2024 Budget represents \$64,843,220 in revenues and \$73,601,380 in expenses. The ad valorem taxable value is \$2,551,935,532, which is an increase over last year's total of \$2,011,831,140. The tax rate will be lowered to 0.4526 per \$100 valuation. This represents a 14.4% reduction in the tax rate. Of the total tax rate, \$0.3098 will be dedicated to maintenance and operation of the General Fund compared to \$0.3396 last year, and \$0.1428 is dedicated to the Interest and Redemption (GO Debt Service) Fund, which is a decrease of the rate last year, which was \$0.1892.

All step increases, incentive pay, and seniority pay for all employees have been budgeted. Revenues will exceed expenditures by \$37,685. The goal expressed by the Council in previous years was a desire to continue investment in the street program through the Street Improvement Fee, which began in FY 2016. The goal expressed this year was an increase in employee compensation, and decrease the tax rate. All of these were accomplished.

There is additional information summarized in the Financial Overview. The management goal is to make the financial condition of the City as transparent as possible.

Sincerely,

A handwritten signature in blue ink that reads "Connie Standridge".

FINANCIAL OVERVIEW

This adopted budget accommodates City Council priorities, continues to provide the best services available to the citizens and maintains the City's fiscal integrity. This budget supports adequate public facilities and infrastructure, economic development, and environmental quality while maintaining the character of the community. All budget projections were made based on available revenues and financial policies.

Corsicana's 2023 Annual Budget resources total \$64,327,759 with expenditures of \$67,288,626 including transfers with the following highlights:

The ad valorem taxable value is \$2,551,935,532, which is an increase over last year's total of \$2,011,831,140. The tax rate will be lowered to 0.4526 per \$100 valuation. This represents a 14.4% reduction in the tax rate. Of the total tax rate, \$0.3098 will be dedicated to maintenance and operation of the General Fund compared to \$0.3396 last year, and \$0.1428 is dedicated to the Interest and Redemption (GO Debt Service) Fund, which is a decrease of the rate last year, which was \$0.1892. The collection rate is assumed to be 100%, for a total of \$11,543,891 ad valorem tax revenue, which is an increase from \$10,638,563 last year.

Capital purchases in the amount of \$742,881 will be paid with cash. This represents a decreased amount of investment in capital purchases for the 2024 budget year.

Council goals, presented during budget work sessions, were addressed as follows:

- Decrease the tax rate

This goal was accomplished.

GENERAL FUND 100

The General Fund balance increased from \$50,562 in 2003 to an audited fund balance of \$8,454,279 on September 30, 2022, which is equal to 127 days of operating expenditures. The fund balance is expected to decrease in 2023 due to capital expenditures of approximately \$2,000,000 funded in 2023. This would provide 91 days of operating expenses for 2023 which exceeds the 90 days of expenditures target set by the Council in 2003. The City strives to increase the General Fund's fund balance every year. The fund balance for 2023 is expected to remain approximately the same due to a balanced budget.

REVENUES

The General Fund provides basic city services that are appropriately supported through tax revenues and user fees. These services include safety services such as police, fire, animal services, and inspections. Public services such as libraries, and parks and recreation are also

supported by the General Fund. In addition, the General Fund provides the management services necessary to ensure that public funds are wisely and equitably distributed.

General Fund revenues account for approximately 36% of the City’s total revenue. The adopted budget reflects anticipated revenues of \$24,028,319 based on historical and economic trends, and then adjusted for known events. This is a decrease from the 2023 Budget. Property tax, sales tax, franchise fees and transfers from enterprise funds make up the largest portion of the budget. Contributing to the decrease over the prior year are the following:

- Decrease in the tax rate;
- Decrease in Other Revenue
- Decrease in Intergovernmental Revenue

General Fund Ad Valorem (Property Taxes)

Property taxes are levied each October 1 on the assessed value as of the prior January 1 for all real and personal property located in Corsicana. Article 11, Section 5, of the State of Texas Constitution limits the City’s ad valorem tax rate to \$2.50 per \$100. This year that rate will decrease to 0.4526, well within the tax limit.

Sales Taxes

Sales Tax receipts are the result of a tax levy on the sale of goods and services within the City of Corsicana as authorized by the State of Texas. The maximum sales tax allowed in Corsicana is two cents per dollar on all goods and services deemed taxable. The City of Corsicana collects 1½ cents per dollar, and Navarro County collects the other available ½ cent per dollar to equal the maximum sales tax that can be collected by Corsicana. The one-cent General Fund sales tax is expected to generate \$6,264,471 and the ½ cent additional sales tax for property tax relief is expected to generate \$3,132,235. Receipts are projected to be slightly lower than the prior year projected year end. Sales tax is budgeted to be \$9,600,000 or 41% of all General Fund revenues.

<u>Sales Tax Distribution</u>		
<u>City of Corsicana</u>		
General Fund	1.00%	
Property Tax Reduction (General Fund)	<u>0.50</u>	
Total City of Corsicana		1.50%
<u>Navarro County</u>		0.50
<u>State of Texas</u>		<u>6.25</u>
Total Sales Tax Rate Charged Within the City of Corsicana		<u>8.25%</u>

Franchise and Other Gross Receipts Taxes

The City of Corsicana collects a franchise fee from utility companies operating within the city. Utility companies include gas, electric, cable, and municipal fees from telecommunications companies. Additionally, enterprise funds pay a franchise fee to the City General Fund in the amount of three percent of the enterprise fund's gross revenues. Currently, these include utility and sanitation services. This represents a fee for the use of city streets and rights-of-way. Total franchise fees for 2023 represent 13% of General Fund budgeted revenues.

Other Revenues

The General Fund collects fines and fees assessed by the library, municipal court, and inspections departments. Revenues for permits and licenses also generate revenues for the General Fund. Intergovernmental revenues include reimbursement from the Enterprise Funds to the General Fund for an allocated percentage of services provided and facilities used. Intergovernmental revenues also include the City's reimbursement from Navarro County for services provided to County residents. These services provided include fire and arson investigation services and animal shelter services.

EXPENDITURES

General Fund expenditures for 2024 are budgeted to be \$23,990,634, which is an increase from the previous year's adopted budget. The most significant increase in expenditures is attributed to the increase cost of personnel and supplies. The budget covers all previously approved employee compensation packages, an increase in TMRS contributions from 14.63% to 16.03%, healthcare costs are expected to rise as well.

UTILITY FUND 501

REVENUES

The Utility Fund 2024 budgeted revenues include an increase in fees. There is no rate increase in the volumetric cost of water. A water rate increase was approved by the Council in 2020 to recover funds spent on significant infrastructure repairs in 2019. The Fund is in a more positive position but still not desirable. The revenue budget for 2024 is \$19,915,950.

EXPENSES

Expenses for 2024 are budgeted at \$19,763,362. The consolidated cash is positive by more than \$389,372 at the end of fiscal year 2022. Due to the uncertainty of the climate and the role it plays in water consumption and supply, aging system repairs and future capital projects that will be required the fund balance should be increased. The Utility Fund provides water to almost all

of Navarro County, and portions of Ellis County, Hill County and Limestone County. As such, long-term planning and funding is key to the continuity of water service to these customers in a very strict regulatory climate. This budget anticipates construction of a new water storage facility at the Lake Halbert Treatment Plant. Debt was issued in January 2022 and a portion to be funded Coronavirus Local Fiscal Recovery Funds.

SANITATION FUND 502

The City of Corsicana contracts for residential garbage collection and owns and operates a landfill. Landfill fees include charges to private commercial haulers and includes contractual obligations with Republic Waste. Disposal fees represent charges for the disposal of refuse collected from Corsicana residents and local businesses. This fund also provides brush pickup to homes and cleanup programs around the City. There is no rate increase planned for 2024. A new sector will be constructed in FY 2024, which provides a location for garbage placement for the next two years. The landfill has an expected life of 90 plus years. The City has a very stable future for garbage disposal. The budgeted revenues are \$6,384,050 and budgeted expenses are \$6,374,914. The fund balance is estimated to be \$4,361,084 at the close of FY 2024.

EMERGENCY MEDICAL SERVICES FUND 503

This fund has historically accounted for revenues and expenditures for emergency ambulance service for the City of Corsicana and Navarro County. Over the last several years, the EMS Fund experienced a cash shortfall primarily due to additional personnel added to ensure adequate fire protection remained within the City and the volatility of the number of EMS runs resulting in billed revenue. The EMS Fund will operate with 3 full time personnel which will staff one ambulance during 2024. The remaining need for service will be covered by a contract with Allegiance Mobile Health.

MAJOR SPECIAL REVENUE FUNDS

Hotel/Motel Occupancy Fees Fund 201

The Hotel/Motel Occupancy Fees Fund was established to account for a hotel/motel occupancy tax allowed by the State of Texas. This tax is levied on the rental rate for a hotel/motel room. Funds that are generated must be expended for items that qualify in accordance with state law such as the promotion of tourism for Corsicana, the arts, and historic preservation. Reduction in revenues due to the COVID-19 pandemic are returning to more normal levels.

Expenditures include: a) \$377,300 to be transferred to the CVB Fund 290 for tourism; b) a total of \$18,500 in contributions to Navarro County Expo Center, Derrick Days, Pioneer Village gate fee reimbursements, Palace Theatre, and Freedom Field; \$3,850 for Special City Events; c) \$119,448 to operate and maintain the historic Pioneer Village; d) \$166,486 to operate the Main Street

program; e) \$98,781 to operate the advertising/promotions program. The budget will continue to support the very popular lights downtown and the annual Christmas tree lighting ceremony. The budget continues to include a \$25,000 contribution from the Fund 290, to help cover the costs of the debt service payments and operating and maintenance costs for the electronic billboard which was installed on Interstate 45 during Fiscal Year 2014.

Airport Fund 202

The City owns a municipal airport for the convenience of the flying public. The City has operated the Airport as the Fixed Base Operator since April of 2019. This budget includes one full-time employee and one part-time employee to staff the airport and provide full FBO service. Budgeted revenues are \$644,500 and budgeted expenses are \$666,308.

Cemetery Fund 203

The City operates three cemeteries. The balance of funds needed to operate and maintain the cemeteries are funded through a transfer from the General Fund. This year the amount is budgeted to be \$200,000. Expenditures include funds for street/road maintenance through the cemeteries; mowing, trimming and repairs and upkeep for the appearance of the properties; and administrative services. Per the City's Code of Ordinances, all interment fees collected are held in an account specifically for cemetery street maintenance.

Corsicana/Navarro County Economic Development Fund 212

This fund was established to account for economic development programs. Currently one employee is funded as the Economic Development Director. Half of the director's salary and office expenditure budget is funded by Navarro County. All other expenses are paid by the City. This budget reflects that the City will spend \$227,140 in this fiscal year.

CONSTRUCTION AND CAPITAL PROJECTS

There are several capital projects currently in progress. These funds are used to finance infrastructure needs and other government services. For more details, please see the information located behind the Construction and Capital Improvements tab.

DEBT SERVICE FUNDS

Corsicana has issued various types of long-term debt for the construction and acquisition of capital facilities, infrastructure, and equipment. The City recognizes that debt issuance has an impact on future operating budgets. Various funding sources are outlined below:

- *General Obligation Bonds* are issued with voter authorization for facility and infrastructure projects.
- *Water and Sewer Revenue Bonds* provide funds for improvements to the water and sewer system and to refund prior water and sewer debt issues.
- *Certificates of Obligation* are issued for facility and infrastructure projects but do not require voter authorization and is not used for refunding.
- *Sales Tax Revenue Bonds* are primarily used to finance library, park, and economic development type projects.

Sanitation Interest and Sinking Fund 409 (Debt Service)

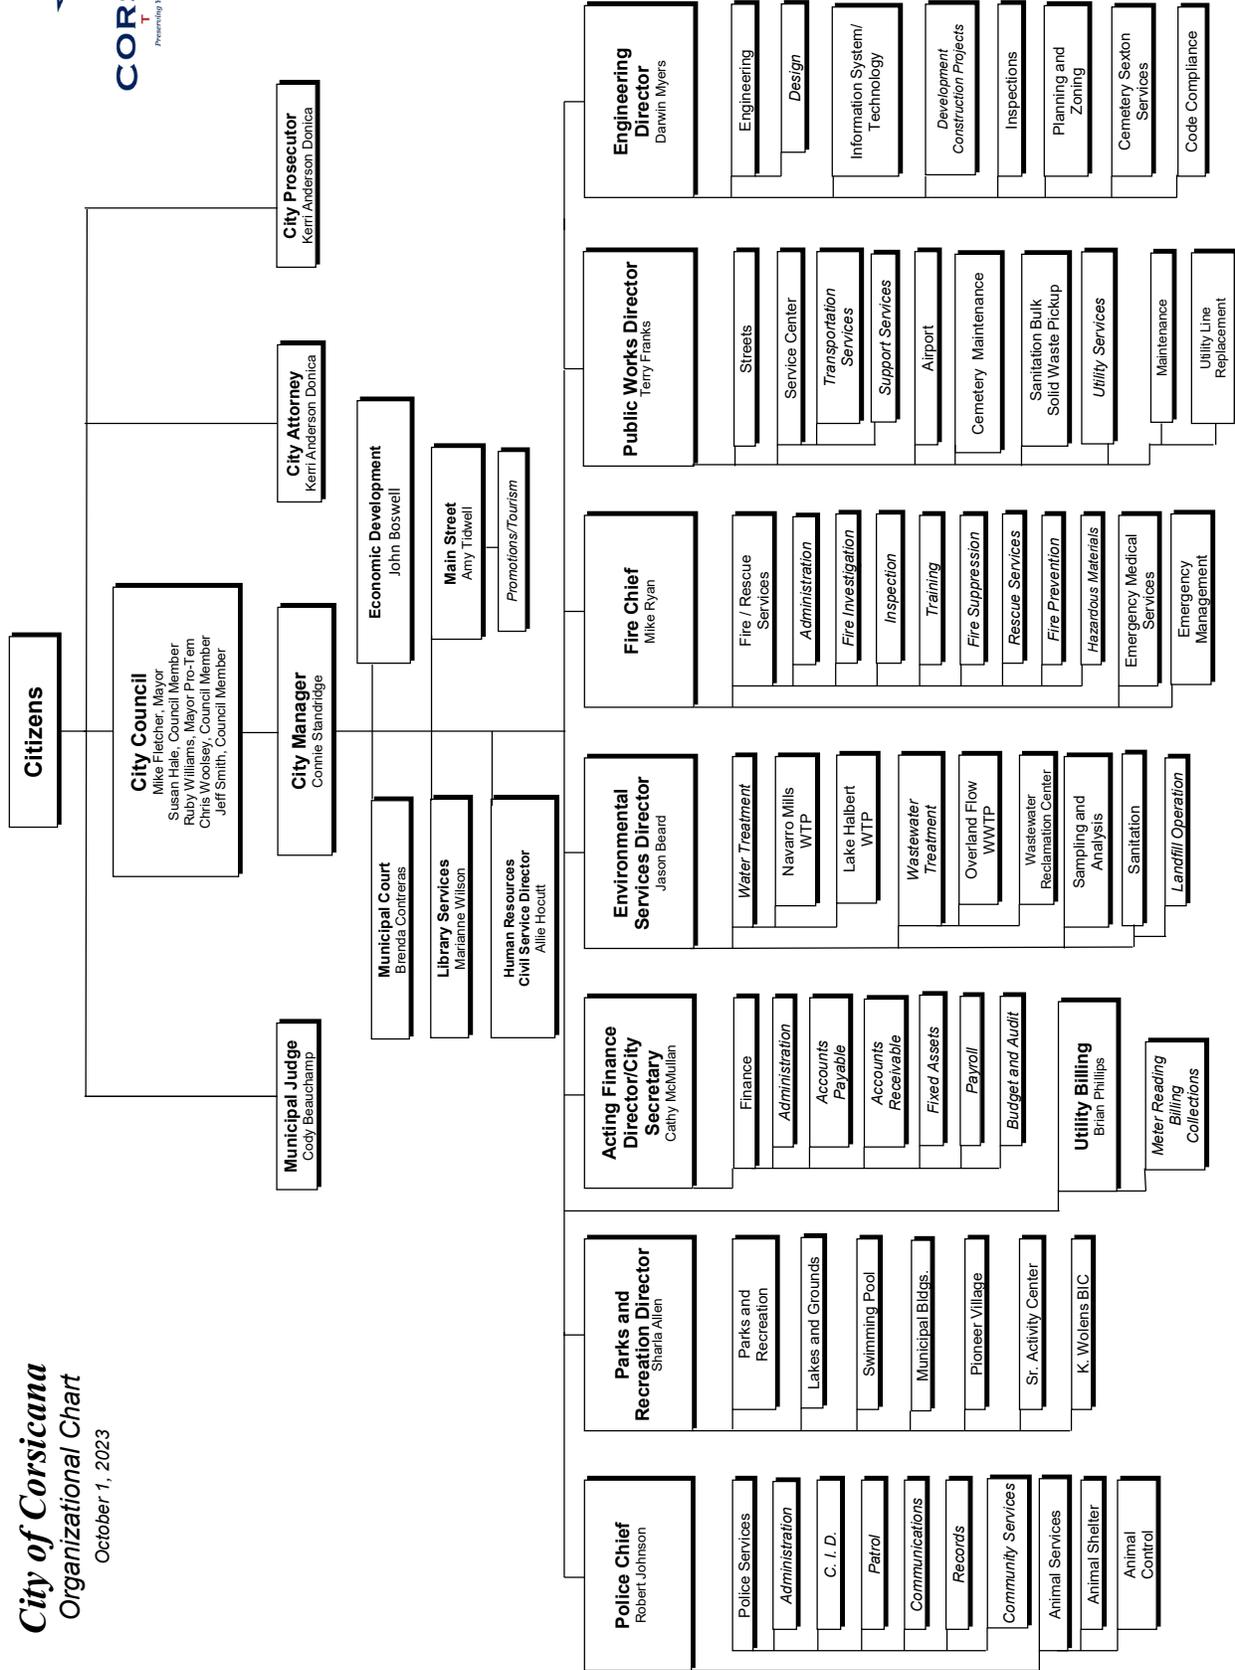

The Sanitation Debt Service fund is used to accumulate the resources for and payment of principal and interest on bonds issued for improvements to the landfill. The revenue source is proceeds from sanitation customer user charges collected in the Sanitation Fund through a transfer to this fund. Current obligations, which include principal, interest and fees for this fiscal year, total \$211,038.

Interest and Redemption Fund 411 (GO Debt Service)

This fund accounts for the accumulation of resources for the payment of general long-term debt principal, interest, and related costs. The revenue source is principally ad valorem taxes levied by the City. Current obligations, which include principal, interest and fees for this fiscal year, total \$3,679,581, which is down from \$3,909,425 in 2023.

Utility Interest and Sinking Fund 412 (Debt Service)

This fund is used to accumulate the resources for and payment of principal and interest on bonds issued for improvements to the water and sewer system. The revenue source is proceeds from water and sewer customer user charges collected in the Utilities Operating Fund through a transfer to this fund. Current obligations, which include principal, interest and fees for this fiscal year, total \$2,913,595 which is up from \$2,957,847 in 2023.

General Operating funds are used to account for all financial resources except those required to be accounted for in another fund. They are used to account for most of the current operating expenditures of the governments and are made up of a greater number and variety of revenue sources than any other fund. The resources of the General Fund are largely expended and replenished on an annual basis. Basic municipal services such as City administration, police and fire protection, parks and recreation, and libraries are included in this fund.

* Gross receipts taxes (franchise fees) are collected from public utilities for the privilege of providing services within the City's limits. These fees represent about 15% of the General Fund budgeted revenues.

* Gas payments are equal to 4% of the gross receipts and are paid to the City in an annual payment received by March 31st.

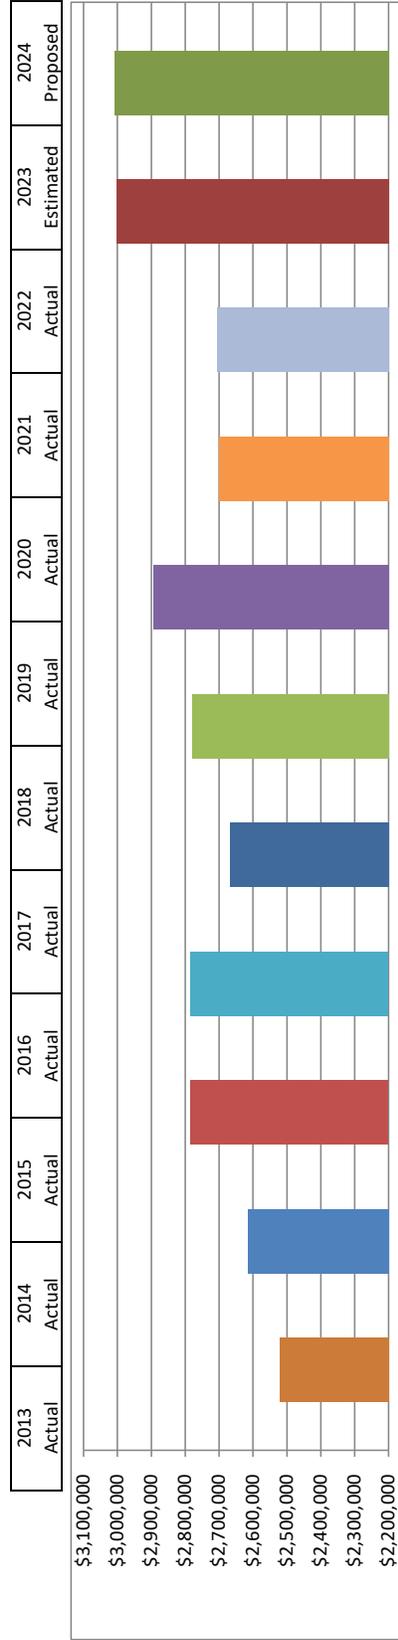

* Electric companies make quarterly payments for electric fees, which are based on the kilowatt hours provided to customers within the City of Corsicana.

* Telephone companies make payments based on a fee per number of access lines. These payments are received from numerous companies and are received quarterly, with the exception of a few small companies that pay monthly.

* Revenue from the cable company is 6% of gross receipts which is remitted quarterly.

* Commercial solid waste franchise fees are equal to 10% of their gross receipts of operations within the City's limits. This is received monthly.

* Utility and Sanitation fees are determined by city policy. The current rate is 3% of gross receipts collected. This amount is transferred monthly.

It is operated in a manner similar to private business enterprises where the intent is that the costs (expenses, including debt) of providing goods or services to the general public on a continuing basis are financed or recovered primarily through user charges.

This fund was established to account for operations of the EMS (emergency medical services) system. It is operated in a manner similar to private business enterprises where the intent is that the costs (expenses, including debt) of providing goods or services to the general public on a continuing basis are financed or recovered primarily through user charges.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

SECTION 4: Voter-Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the difference between the adopted tax rate and voter-approval tax rate adjusted to remove the unused increment rate for the prior three years.³⁹ In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the portion of the unused increment rate must be backed out of the calculation for that year.

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year before 2020;⁴⁰
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);⁴¹ or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.⁴²

Individual components can be negative, but the overall rate would be the greater of zero or the calculated rate.

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit.⁴³

SECTION 6: De Minimis Rate

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit.⁴⁴ This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit.⁴⁵

SECTION 7: Voter Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.⁴⁶

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.⁴⁷

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
