(1) The Wells Fargo Government Money Market Fund focuses primarily on preserving capital and maintaining liquidity by actively managing a diversified portfolio of short-term U.S. government debt and repurchase agreements collateralized by U.S. government obligations, which will likely generate higher yields than a portfolio that invests exclusively in U.S. Treasury debt. The fund purchases only debt issued by the U.S. Treasury or U.S. government agencies across a range of eligible money market investment that may include, but are not limited to, government agency repurchase agreements, government agency debt, U.S. Treasury repurchase agreements, U.S. Treasury debt, and other securities collateralized by U.S. government obligations. The WAM is an average of the effective maturities of all securities held in the portfolio, weighted each security's percentage of total investments.

(2) TexSTAR is a conservatively managed fund operated in full compliance with the PFIA. The WAM 1 calculation is based on the SEC Rule 2a-7 definition for stated maturity for any floating rate instrument held in the portfolio to determine the weighted average maturity for the pool. This rule specifies that a variable rate instrument to be paid in 397 calendar days or less shall be deemed to have a maturity equal to the period remaining until the next readjustment of the interest rate.

(3) The primary objectives of TexPool are preservation and safety of principal; liquidity; and yield. TexPool will invest only in investments that are authorized under both the Public Funds Investment Act and the TexPool Investment Policy. WAM is the mean average of the periods of time remaining until the securities held in TexPool (a) would be repaid, (b) would be repaid upon a demand by TexPool, or (c) if their scheduled maturity is 397 days or less; and the later of the two dates set forth in (b) and (c) if their scheduled maturity is more than 397 days. The mean is weighted based on the percentage of the amortized cost of the portfolio invested in each period.

WE CERTIFY THAT CITY FUNDS ARE MAINTAINED IN COMPLIANCE WITH THE CITY'S INVESTMENT POLICY STRATEGIES AND THE RELEVANT PROVISIONS OF THE PUBLIC
