

April 8, 2014

Dear Citizens:

The Texas Health Resources Mobile Unit will be in downtown Saturday, April 12, 2014 from 9:00 – 3:00 in the parking lot at 105 W. 7th Avenue, just west of the Visitor Center, and next to Oh Baby and Tortilleria Matehuala. Women interested in taking advantage of this opportunity can call the registration number of 1-855-318-7696 and request a mammogram or well woman exam at this location at least three days prior to the event. If you have insurance, that information will be taken at registration. If you don't, you may qualify for an exam at no cost by completing an application process. The Unit will also have take-home colon cancer screening kits available to qualified individuals, both men and women. If follow up medical care is necessary, you will be referred back to a physician in the Navarro County area. We must have at least ten women registered before the THR Mobile Unit can make their appearance in our great city. Please call and schedule your appointment today.

Sincerely,

Chuck McClanahan
Mayor
