

The City of Corsicana is bringing the  
“Rockefeller Center” ice skating experience to  
Beaton Street Rink!

If one could imagine New York during Christmas, chances are a twinkling tree and an ice rink filled with happy children would come to mind. This festive city scene will “be seen” in downtown Corsicana. The Beaton Street Rink is part of the Second Saturday Series for December and will be open on December 12 and 13. The location will be at Beaton Street and Collin Street in front of the Big Christmas Tree!

Skating will begin at 6:00 pm on Friday evening and will continue until 9:00 pm. Fun will resume Saturday afternoon at 3:00 pm until 7:00 pm. Admission is free and ice skates are provided. The weatherman is predicting a 100 percent chance of snow and the rumor is that Santa will be there on skates. Bring a camera to capture a picture by the 50’ wonderfully decorated Christmas tree. There will be hot chocolate and cookies as Christmas melodies swirl through the air. Marvel at the winter cityscape while creating a favorite holiday memory. For more information call the Corsicana Parks & Recreation Department at 903.654.4874. Merry Christmas!
