

City of Corsicana Tour of Lights
Tune in to AM 1610 for Route
December 5 - January 1

The City of Corsicana is hosting a citywide Tour of Lights. There will be an AM Radio Station 1610 broadcasting a route through the city to highlight lighting displays and activities. The Tour route will start at the Visitors Center downtown and proceed north on Beaton Street to Oaklawn through Community Park to 24th Street, south to Elmwood and then right to Governors Drive. From the Governors District, it will turn west and continue to 29th Street, turning right on 29th and then left on Arcady Lane then right on Cumberland Drive for a tour of the Drane Estates. Leaving the Drane Estates cars will turn right onto Glenwood Circle and proceed to intersect 29th, turn right and then make an immediate right onto Park Avenue. The Tour will continue on Park and take a right onto Drane Place and follow the street to the right back to Park. Once back to 29th, cars will turn right and continue to 2nd Avenue and turn left and continue to Mills Place, turn left to the end of the cul-de-sac. From Mills Place cars will travel back to downtown, and then for the finale, a drive through Bunert Park on East MLK. Homeowner's and businesses along the route are being asked to decorate for everyone to enjoy. Any homeowners or businesses in other parts of the City that are interested in being listed on the tour should contact the Parks and Recreation Department at 903-654-4874.
