

March Second Saturday

It is time to kick-off the Second Saturday Series of 2015 this March 14. This year's series will run the months of March through June and September through December. Each month will feature a different theme and activity. The theme this month will be *Tunes, Trucks and Rods* located in Historic Downtown Corsicana, between the hours of 11 A.M. and 3 P.M.

Activities include:

Matt the Cat Trio will be playing rockabilly/early rock and roll/early R&B on the guitar, bass, and drums. They will be set up outside of the Pocket Park near Beaton Street and 5th Avenue.

The Cars of Navarro County and Corsicana will have a Car Show located on Beaton Street between 5th and 4th Avenue.

Local downtown shops will be open for shoppers to browse and enjoy. Be sure to stop in for new accessories, antiques, clothing, diners, home décor, sweets, vintage finds and much more.

Corsicana Vendor Days will be set up behind Citizens National Bank at West 5th Avenue and North 12th Street throughout the day.

If this was not a jam-packed weekend already, the *Tour of Corsicana Bicycle Stage Race* will begin at 3 P.M. with a children's race for ages 12 years and under, followed by a bicycle drawing. The 4th Annual Stage Race begins at 3:30 P.M. from the starting line on Beaton Street, and will last well into the evening. Spectators are welcome and encouraged to come out and cheer on the cyclists as they battle the historic brick streets of downtown Corsicana on a one mile, eight corner criterium course that provides a nice challenge for racers year after year.

Do not want to miss this weekend. Come out and enjoy local hotrods and classics while munching on local eats provided by restaurants and food trucks. Take a stroll through the Downtown Shops or Vendor Days, there is something for everyone to enjoy.
